

Getting To Know Your Woodlands Webinar Series

February 21 - March 21, 2019

7 - 9 p.m. Eastern Time

Various County Extension Offices

February 21, 2019

Getting to Know Your Woodlands

Our woodlands are among the most diverse and productive in the world. Today, our woodlands range from natural stands of hardwood, cypress, and pine to planted pines and even hardwoods. Landowners will learn how natural and human forces have shaped the woodlands and the importance of developing management plans and practices on their forests.

These county offices are participating in this webinar: Barren, Breckinridge, Carroll, Casey, Clay, Edmonson, Elliott, Fayette, Grant, Harlan, Johnson, Lee, Letcher, Lewis, Lyon, Madison, Morgan, Nelson, Ohio, Oldham, Perry, Russell, Scott, Spencer, Taylor, Trimble, and Wolfe

February 28, 2019

Managing Your Woodlands

Today's woodlands from natural stands of hardwood, and pine to planted pines and even hardwoods. Landowners attending this session will learn the basics on pine and hardwood management. Topics covered include:

- Growing and managing pines, from site selection to final harvest.
- Basic characteristics of existing hardwood stands, evaluation methods potential, and basic decisions on future management.
- How to identify degraded hardwood stands, determine acceptable growing stock, and assess options available to make degraded hardwood stands more desirable, profitable and sustainable.

These county offices are participating in this webinar: Allen, Barren, Breathitt, Breckinridge, Carroll, Casey, Clay, Edmonson, Elliott, Grant, Harlan, Jackson, Johnson, Lee, Letcher, Lewis, Lyon, Madison, Monroe, Morgan, Nelson, Ohio, Oldham, Perry, Russell, Scott, Spencer, Taylor, and Trimble

March 7, 2019

Identifying and Managing Woodland Threats

Threats to your woodland can come in many sizes and shapes; disease, insects, invasive plants, and any combination of these three categories. In this session, our team of experts will introduce you to a few basic pest principles, present a model example of each threat, and offer some simple practices to help ensure your woodland remains healthy and productive.

March 7 locations: These county offices are participating in this webinar: Allen, Barren, Breathitt, Breckinridge, Carroll, Casey, Edmonson, Elliott, Grant, Harlan, Jackson, Johnson, Lee, Letcher, Lewis, Lyon, Madison, Menifee, Monroe, Morgan, Nelson, Ohio, Oldham, Perry, Russell, Scott, Spencer, Taylor, and Trimble

March 14, 2019

Wildlife and Woodlands

Managing wildlife is commonly ranked as a primary objective among landowners. This session will introduce participants to basic wildlife management principles and concepts and provide information on habitat requirements of various wildlife.

These county offices are participating in this webinar: Allen, Barren, Boone, Breathitt, Breckinridge, Carroll, Clay, Edmonson, Elliott, Fayette, Grant, Hancock, Harlan, Jackson, Johnson, Lee, Letcher, Lewis, Lyon, Madison, Menifee, Monroe, Morgan, Nelson, Oldham, Pendleton, Perry, Russell, Scott, Taylor, and Trimble
