Company Overview
International Paper (NYSE: IP) is a global leader in packaging and paper with manufacturing operations in North America, Europe, Latin America, Russia, India and North Africa. IP produces corrugated packaging products that protect and promote goods; pulp for diapers, tissue and other personal hygiene products that promote health and wellness and papers that facilitate education and communication. Headquartered in Memphis, Tenn., the company employs approximately 52,000 people and is strategically located in more than 24 countries serving customers worldwide. IP net sales for 2017 were $22 billion. For more information about International Paper, its products and global citizenship efforts, visit internationalpaper.com.

For over 120 years International Paper has been dedicated to improving lives by using renewable resources to make recyclable products people depend on every day. As a global company our business provides the economic basis for many millions of forested acres around the world. International Paper works to ensure that these forests are managed responsibly so that they can thrive for generations to come.

Position Overview
A Fiber Supply Associate would typically be looking at a 2 to 3-year assignment in the initial role, but would need the flexibility to relocate for future positions. With proven results and leadership, a Fiber Supply Associate’s career could lead to future leadership roles such as Fiber Specialist, Fiber Supply Manager, Region Manager, Director, General Manager, Vice President, or other senior leadership roles.

Main Responsibilities
Fiber Supply Associates are responsible for the purchase and delivery of fiber to a paper mill, including pulpwood, chips, recycled fiber, and fiber fuel (biomass). The Fiber Supply Associate supports Fiber Specialists in raw materials acquisition, harvesting, fiber quality, logistics coordination, contract negotiations, and inventory management. A Fiber Supply Associate may also oversee relationships with vendors to insure compliance with contracts and company policies and procedures, including financial, safety and environmental performance.

Qualifications
- Bachelor’s degree (Forestry, Business Management, Pulp & Paper Science, Marketing, Logistics, Transportation, Purchasing or related field, Industrial Engineering, Operations Management, Materials Management, Supply Chain)
- Authorized to work in the U.S.
- Strong communication and interpersonal skills
- Self-starter as demonstrated by scholastic achievement or intern work experience and/or involvement in campus activities, clubs, student government, etc.
- Demonstrated leadership skills
- Proficiency in analytical skills.

Location
International Paper is expecting future openings in Texas, Louisiana, Oklahoma, Arkansas, Mississippi, Alabama, Florida, Georgia, South Carolina, North Carolina, and Virginia.

Compensation
International Paper offers an attractive compensation plan including comprehensive benefits plan, 401 (k), and relocation assistance when applicable.
