Indiana Department of Natural Resources

Positions Available:
- Forest Resource Specialist (1 position)

The Indiana Department of Natural Resources has an opening for professional level position at a State Forest property

Forest Resource Specialist:
This position works in the Division of Forestry under the supervision of a state forest property manager on Martin State Forest (~8,000 acres) www.in.gov/dnr/forestry/4822.htm. This forest is located in Southern Indiana, in the heart of the Central Hardwoods Region. The position manages land, facilities, people, timber, and other natural resources on state forest holdings. Duties include timber inventory, development of management plans, boundary line management, marking timber harvests, timber sale administration, timber stand improvement, wildlife management, road and access management, tree planting, recreation and facilities management, and public information/education. Includes some administrative duties pertaining to overall property management.

Required Experience: Resource specialist positions require Bachelor of Science in Forestry, or closely associated field from an accredited college/university. Prefer one year of applicable experience in resource management.

Compensation: Forest Resource Specialist: $35,152; annual salary. The State of Indiana offers a comprehensive benefit package which includes medical, dental, vision, life insurance, retirement plans and vacation/sick leave;
